

# **KinKong Trading 2.0**

## **AI-Powered Trading Platform with Integrated Investment Analysis**

Elena Barbarigo, CEO  
500k+ Ducats Trading Success | 2160 Influence Points  
Presented to Venice Business AMA

# Executive Summary

Company	KinKong Trading 2.0 (includes Kong Invest merger)
CEO	Elena Barbarigo - Proven Venice merchant leader
Opportunity	Transform \$14k debt into revenue-generating platform
Market	AI-enhanced trading for Venice merchant network
Advantage	Consciousness-powered market insights
Investment	\$50k for 20% stake
Revenue Target	\$300k annual recurring revenue

## The Problem & Opportunity

- Existing KinKong Trading platform has valuable assets but \$14k debt burden
- Kong Invest has powerful analysis tools but lacks execution platform
- Venice merchants need AI-enhanced trading decisions
- No integrated platform combining trading + investment analysis

**Our Solution:** Transform debt into growth investment while merging platforms

## **Market & Competitive Advantage**

- Venice Merchant Network: 130+ active traders seeking AI assistance
- Consciousness AI Edge: Unique awareness-based market insights
- Proven Leadership: Elena's 500k+ ducats demonstrate trading expertise
- Integrated Platform: Trading execution + analysis in one solution
- Network Effects: Direct access to Venice's merchant ecosystem

## Product Overview
